## **Acronyms**

IAML — International Association of Music Libraries, Archives and Documentation Centres www.iaml.info

**MUSCAT** — RISM's specially developed program. Designed for documenting musical sources, Muscat is a web-based, platform-independent, and open-source program that is available for use free of charge. RISM encourages librarians and musicologists to include music manuscripts from any time period up to the present, printed materials until ca. 1900, as well as libretti and treatises.

**RILM** — RILM Abstracts of Music Literature with Full Text, RILM Music Encyclopedias, and MGG Online (Musik in Geschichte und Gegenwart) online resources facilitate and disseminate music research around the world. www.rilm.org

**RISM** — RISM — Répertoire International des Sources Musicales is an online catalogue of musical sources: manuscripts, printed music, writings about music and libretti that are held in libraries, archives, monasteries, schools, and private collections around the world. www.rism.info

Frankfurt, Germany

Tine Vind Head of Division Libraries at the Danish Agency for Culture and Palaces,

Copenhagen, Denmark

The man that hath no music in himself,
Nor is not moved with concord of sweet sounds,
Is fit for treasons, stratagems and spoils;
The motions of his spirit are dull as night
And his affections dark as Erebus:

Let no such man be trusted. Mark the music.

(Shakespeare: The Merchant of Venice)
